Your Business Can Profit By Selling These Number 1 Enthusiast Magazines

That's right, now you can increase foot traffic into your store, make over 100% profit, and help promote interest in these unique sports by becoming **Hot VWs** and **SAND SPORTS** bulk dealers. Every issue brings readers the latest in tech information, the most in-depth do-it-yourself "how-to" articles, complete event coverage, outstanding car features, accurate historical information, current customizing trends, and more. What better way to get people in your front door, and interested in repairing/modifying his or her car or buggy, than to have these Number One magazines

right there ... on your store's front counter? There is a minimum order of five magazines per issue to become a bulk dealer, and non-sold issues are non-returnable. To sign up, simply fill out the coupon below and, not only will we rush your copies direct from the printer (you get it before the newsstand!), we will also send you a handy metal display rack just for signing up! One great deal on two great magazines!
